

AU BOC Company Policies

Welcome to BOC!

At BOC we're serious about safety and ethical conduct. We don't want anyone to get hurt.

Please take the time to read and understand the following company policies regarding safety and appropriate conduct in the workplace.

- HSE policy
- Electronic Devices policy
- Code of Business Integrity
- Quality policy
- Drug & alcohol policy

It is very important that you read and understand all of these policies as we will view any breaches as serious misconduct. If you have any questions please contact your manager or HR for advice.

We are taking these measures to protect you, other employees and contractors, your family and friends, and the general public.
